To whom it may concern

My name is Vera Crenshaw and I am managing my daughter's property, which is in your sewage service area.

I do **not** agree with your sewage bill rate increase due to other costs involved - high taxes, high insurance, high rate payment it becomes very difficult for us and our tenants to able keep up all bills.

Our tenants have trouble paying the sewage rate as they are now, and sometime they cannot pay, which means we have to pay.
